Atropine
Detoxification of
Ayahuasca (An intoxicating beverage in Peru)
Contains harmine as the active principle
Banisteria Caapi
Plant producing harmine
Barbiturates
See
Beam Reaction
For cannabis
For hashish
A l w as 1% can be detected
Belladonna Root
Source of scopolamine
Benzedrine Sulphate
Also known as amphetamine sulphate
Benzocaine
Used as an adulterant for cocaine
Bhang (Hem Resin Drug)
Determination of
Bromoharmine
See
Bulbocaphine
Can cause poisoning. Used by Chepov
Caffeine
See
Calcium Chloride
Tried as antidote for cocaine poisoning
